Rick,

It's been a pleasure to have you be part of the LA BID community, and you'll be missed.

Your diligent follow up as we moved towards our RFP (I told you to check in with me every 3 months for status of our RFP, and you did) exemplifies why we ended up choosing Chrysalis: your organization (and the individuals who comprise it) listens to its clients, works as a cohesive team -- internally and externally, and is always as responsive as it can be.

Thank you for your service to Chrysalis, and to all its clients (by which I mean both its workers and its BIDs/other contracts.)

Dear Tara,

These are strange words to write after 14 years, but I will be leaving Chrysalis as of May 31, and, even though there will be more opportunities to say thank you, I wanted to get the first of those sent now.

Thanks.

I will be here all month if you need anything, but JUST TO BE SURE that you continue to get the workers, and the follow up, you need from

Chrysalis, I passed your information on to Laurie Niesen, our Works Operations Manager, 213-806-5362

Thanks again, and don't be surprised if you hear from me down the road. You never know.

Thanks
